

Concentration and Colligative Properties

Here are the keys for the 30 fill-in-the-blank questions:

1. **liters**
2. **kilogram**
3. **liters**
4. **solute**
5. **mass**
6. **volume**
7. **volume**
8. **amount**
9. **particles**
10. **non-volatile**
11. **freezing**
12. **concentration**
13. **decrease**
14. **mole fraction**
15. **pure**
16. **lower**
17. **dilute**
18. **pressure**
19. **increase**
20. **temperature**
21. **solvent**
22. **temperatures**
23. **attractive**
24. **higher**
25. **lower**
26. **higher**
27. **lower**
28. **dilute**
29. **mass**
30. **ions**
